SERVICE PLAN GUIDE

PLAN AHEAD AND KEEP YOUR VEHICLE ON THE ROAD FOR LONGER

Regular services keep your vehicle running smoothly, help identify potential problems before they become serious ones and help improve your fuel consumption. Get peace of mind while you on the road, get a KIA Service Plan.

WHAT IS A KIA SERVICE PLAN?

This plan offers you a convenient way of budgeting so that you can spend less time worrying about the costs of taking care of your vehicle and more time enjoying the open road.

This plan pays for specified aspects of the recommended service schedule.

This plan cannot be purchased together with a Maintenance Plan.

All maintenance repairs must be performed by an ***OEM** approved repair facility, for a specific period of time or specific distance travelled - whichever happens first.

* **OEM** is the original equipment manufacturer, who manufactures the original parts assembled and installed during the construction of a new vehicle.

ELIGIBILITY

Your vehicle qualifies for a KIA Service Plan if it:

- Has travelled less than 250 000 km; and
- Is less than 10 years old (calculated from date of first registration)

BENEFITS

- Includes all Original Equipment Manufacturer (**OEM**) required services
- Qualified technicians
- Genuine parts
- Fixed, affordable monthly cost
- Can be transferred to the next owner and increase resale value
- The financial institution that finances your vehicle may be able to incorporate your payments into your monthly vehicle instalment

* Please read your KIA Service Plan booklet for a full list of service items, all the limitations, terms and conditions that apply to this plan.

SERVICE PLAN

REPLACED ACCORDING TO THE **OEM** SERVICE SCHEDULE

- Filters (oil, air, pollen, fuel)
- Oil & lubricants (engine, coolant, transmission, brake & clutch, differential)
- Spark plugs
- Sump plug gasket
- Workshop consumables
- Cam belt (only if specified by the **OEM** service schedule)
- Belts (accessory belt, V-belts) (only if specified by the **OEM** service schedule)
- Tensioners & pulleys (only if specified by the **OEM** service schedule)
