TYRE AND RIM INSURANCE GUIDE

DON'T LET PUNCTURES AND FLATS GET YOU DOWN

Tyre and Rim makes provision for damage to your vehicle's tyres and rims as a result of punctures, blowouts or damage suffered from road hazards, such as roadside kerbs, potholes and road debris. Tyre and Rim will provide for the repair or replacement of your tyres or rims in these events for 4 years or 100 000 kilometers, whichever happens first.

BENEFITS

- No unexpected repair costs
- Road hazard damage repair
- Pothole damage repair

ELIGIBILITY

To apply for Tyre and Rim Insurance, your motor vehicle must:

1. have comprehensive motor vehicle insurance cover;
2. have a Gross Vehicle Mass (GVM) of less than 3 000 kg;
3. be no older than 2 years and must have travelled less than 40 000 km;
4. be in a roadworthy condition and subject to an inspection by an approved service provider.

The above list is for illustration purposes only. Only key benefits shown above. Please review the respective **policy booklet** for detailed information, respective limitations and the full list of components covered. Terms, Conditions and Limitations apply. List correct at time of publication. E&OE.
